

Underground Injection (UIC) Permits

QUESTION:

The following question was sent to the Legal Affairs Committee via email on October 24, 2006:

“We would like to talk with member agencies that may have a state or federal underground injection (UIC) permit. We also would like to talk with communities that may use UICs (sumps) for stormwater runoff without a state or federal permit.”

RESPONSES/ANSWERS:

NACWA received responses from the following members who may be contacted for more information:

James Meyer, Legal Affiliate Meyer & Wyatt, P.C., Gary, IN: jmeyer@meyerwyattpc.com
