

Potential 2006 *Platinum Award* Honorees

The following facilities have attained four or more consecutive years of full compliance with NPDES effluent limitations ending in calendar year 2005. If a listed facility once again attains full compliance for the entire 2006 calendar year, it will be eligible to receive a 2006 NACWA *Platinum Award*. A record of full compliance from four to fifteen consecutive years is indicated alongside each facility name below. Please note that *Platinum Award* certificates will show the number of consecutive years in full compliance. If your facility has attained full compliance for a longer consecutive time period than listed, and you would like this to be reflected on the 2006 *Platinum Award* certificate, please submit additional award applications for prior years (must be consecutive with time period list below).
