

Webinar Announcement:

American Iron and Steel Requirement for the SRF

Focus on Water Sector: Manufacturers,
Suppliers, Contractors, Consulting Engineers

The Consolidated Appropriation Act, 2014 (P.L. 113-76) included an American Iron and Steel requirement for the State Revolving Funds for Federal FY2014.

Join us for our second webinar to discuss how to implement the new requirement, the waiver request process and national waivers.

Presenters:

- **Jordan Dorfman**, CWSRF Attorney Advisor
- **Tim Connor**, CWSRF Engineer
- **Kiri Anderer**, DWSRF Engineer

For more information about the new requirements, please visit our website:

http://water.epa.gov/grants_funding/aisrequirement.cfm

Note: If you attended the webinar on April 9th, the content of this webinar will be similar but with a slightly different audience focus.

RESCHEDULED

Date:

Wednesday
April 30, 2014

Technical Tips:

1. Register in advance using the link provided. You will receive a confirmation e-mail with log-in information to use the day of the webinar. If you do not receive a confirmation e-mail shortly after registering, check your junk/spam e-mail box.
2. Confirm that your computer meets the system requirements specified under the "View system requirements" link on the webinar registration page. The audio for the webinar will be broadcast on-line, not via a phone line. Make sure you have functioning speakers for your computer.
3. If this is your first Gotowebinar meeting, log in in advance of the webinar start time to ensure that you have downloaded the necessary software.
