

Webinar Announcement:

American Iron and Steel Requirement for the SRF

Focus on State and assistance recipients

We invite you to join us for a refresher webinar to discuss updated information regarding how to implement the AIS requirements, product certifications, the waiver request process and national waivers.

Presenters:

- **Tim Connor**, CWSRF Engineer
- **Kiri Anderer**, DWSRF Engineer

For more information about the new requirements, please visit our website:

http://water.epa.gov/grants_funding/aisrequirement.cfm

Date:

WEDNESDAY
February 4, 2015

Time:

1:00 PM – 2:30 PM
Eastern Time

Technical Tips:

Once you register for the webinar using the link provided, you will receive an automated email from "Gotomeeting5." Please retain this email, as it includes a link for joining the webinar, information on webinar audio, an email contact for questions related to the webinar, and a link for more information on using Gotowebinar. If you do not receive this confirmation email shortly after registering for the webinar, please check your spam/junk e-mail folder.

We recommend joining the webinar several minutes early to allow time to download or upgrade the Gotowebinar software. Please note that audio will be available on-line only, and that there is no telephone call-in number associated with this webinar. Please ensure that you are using a computer with working speakers or headphones prior to joining the webinar.
