

The U.S. EPA invites you to three webinars  
about our soon-to-be-released

# EJSCREEN

EPA's new environmental justice screening  
and mapping tool

## What?

Learn about EJSCREEN, EPA's new environmental justice screening tool. The tool offers powerful data and mapping capabilities that display environmental and demographic information at a high geographic resolution across the entire country. Each webinar will offer the same information.

## When?

May 12, 2:00 - 3:30 pm (EST)

May 28, 1:00 - 2:30 pm (EST)

June 3, 3:30 - 5:00 pm (EST)

## How do I register?

RSVP for the event at <http://us-epa-ejscreen-presentation.eventbrite.com>. Webinar materials will be forwarded to participants a week before each presentation. If you have questions, contact [olp.kevin@epa.gov](mailto:olp.kevin@epa.gov).
