

Jon H. van Hoff

Industrial Pretreatment Coordinator
Metropolitan Sewer District of Buncombe County
Asheville, NC

Jon van Hoff is the Industrial Pretreatment Coordinator for the Metropolitan Sewerage District of Buncombe County (MSD) in North Carolina. He is responsible for regulating 18 SIUs and about 75 locally permitted industries. In addition, he oversees the grease program.

He began with MSD in 1988 as a Plant Operator. In 1990, he became an inspector for the Industrial Pretreatment department.

Mr. van Hoff received his BS in Biology from James Madison University. In 1990, he obtained his North Carolina Grade IV Wastewater Treatment Plant Operator Certification. He is a member of the North Carolina Pretreatment Consortium.
