

Theresa Pfeifer

Chair, NACWA Pretreatment and Pollution Prevention Committee

Regulatory Compliance Officer

Metro Wastewater Reclamation District

Denver, CO

Theresa Pfeifer received a BS and a MS from Fort Hays State University, Hays, Kansas.

Ms. Pfeifer began work at the Metro Wastewater Reclamation District in Denver, Colo. as an Industrial Waste Specialist, was promoted to the Industrial Waste Coordinator, and is currently the Regulatory Compliance Officer (RCO) for the Metro District. As the RCO, she manages the ongoing design, development, and administration of the Metro District's Pretreatment/ Industrial Waste Control Program. In addition, she manages and coordinates the Metro District's compliance with all other environmental regulations and requirements, particularly in the areas of water quality (effluent discharges, stormwater, SPCC), air emissions and odors, biosolids, AST/USTs, and solid and hazardous wastes. She also manages and oversees the District's Environmental Health and Safety Program.

Prior to coming to the Metro District, Ms. Pfeifer managed the Liquid Insulation Laboratory for General Electric and was a regulated industrial discharger of the Metro District.
