

Cindy L. Wallis-Lage

President, Global Water Business

Black & Veatch

Kansas City, MO

Cindy Wallis-Lage is President of Black & Veatch's global water business, leading the company's efforts to address billions of dollars in water infrastructure needs around the world. Ms. Wallis-Lage joined the company in 1986 and has provided her expertise and leadership to more than 100 municipal and industrial facilities throughout the U.S., the U.K. and Asia Pacific. She is a licensed Professional Engineer. She earned a BS in Civil Engineering from Kansas State University in 1985 and her MA in Environmental Health Engineering from the University of Kansas in 1990. Ms. Wallis-Lage has authored more than 50 papers, 20 technical articles and 10 textbook chapters. She is actively involved with the Water Environment Federation (WEF) and serves on the WaterReuse Association Board of Directors.
