

**James Good**

Interim Executive Director  
Pittsburgh Water & Sewer Authority  
Executive Vice President  
Veolia Water North America – West  
Pittsburgh, PA

As of November 2010, **Jim Good** leads the company's West Region, which provides water and wastewater services in seven states. In this role, he is responsible for the safe and compliant provision of operations, maintenance and management, design-build-operation and related services to this diverse client base. From 2001 to 2006, he was vice president of Municipal Development for the West Region where he was responsible for securing new municipal business in states from Texas to Hawaii.

Mr. Good's experience in the water industry includes having served as vice president of Corporate Communications and Marketing for California Water Service Company for seven years and Director of Congressional Relations for the National Association of Water Companies (NAWC) for three years prior to joining Veolia Water North America.

He is a graduate of Cornell University with a BA in Government and a MS in Finance from Golden Gate University. He served as vice chair for the NAWC in 1991-1994, and is a member of multiple water associations.
