

Shellie Chard-McClary

Water Quality Division Director

Oklahoma Department of Environmental Quality

Oklahoma City, OK

Shellie Chard-McClary has been the Division Director of the Water Quality Division of the Oklahoma Department of Environmental Quality (DEQ) since January 1, 2010 and has more than 21 years of experience in the drinking water and wastewater arena. She manages all aspects of drinking water and wastewater for DEQ including permitting, compliance, enforcement, technical assistance, state and national policy and legislative issues, as well as operator certification training and licensing.

Ms. Chard-McClary obtained a BS in Chemical Engineering and Biotechnology. In addition to her activities at DEQ; she currently serves on the Boards of Directors for the Ground Water Protection Council, Association of Drinking Water Administrators and Association of Clean Water Administrators where she is the current President.
