

Scott Haskins

Senior Vice President

Director of Strategic Consulting

CH2M HILL

Bellevue, WA

Scott Haskins is currently Senior Vice President and Director of Strategic Consulting and Project Support for the Operations Management Business Group at CH2M HILL. He serves on their Global Leadership Team, leads technology initiatives and consulting projects, and is active in national and international leadership roles in the water sector. Previously, he served with the City of Seattle as Deputy Director of Seattle Public Utilities. He was responsible for directing drinking water, surface water, wastewater and solid waste functions.

Earlier Mr. Haskins held positions as their Chief Financial Officer, Director for Operations and Maintenance, Resource Management, and Finance and Administration. He is active in leadership roles with water sector associations; serves on the U.S. Environmental Protection Agency's Environmental Finance Advisory Board; and has been engaged in numerous finance, asset management, benchmarking and utility management water research projects. He also is the co-author of three books and has published numerous papers and journal articles.

Mr. Haskins earned a MPA and BA in Political Science from the University of Washington.
