

# HONOLULU FOG CONTROL: **It's Still Working !**

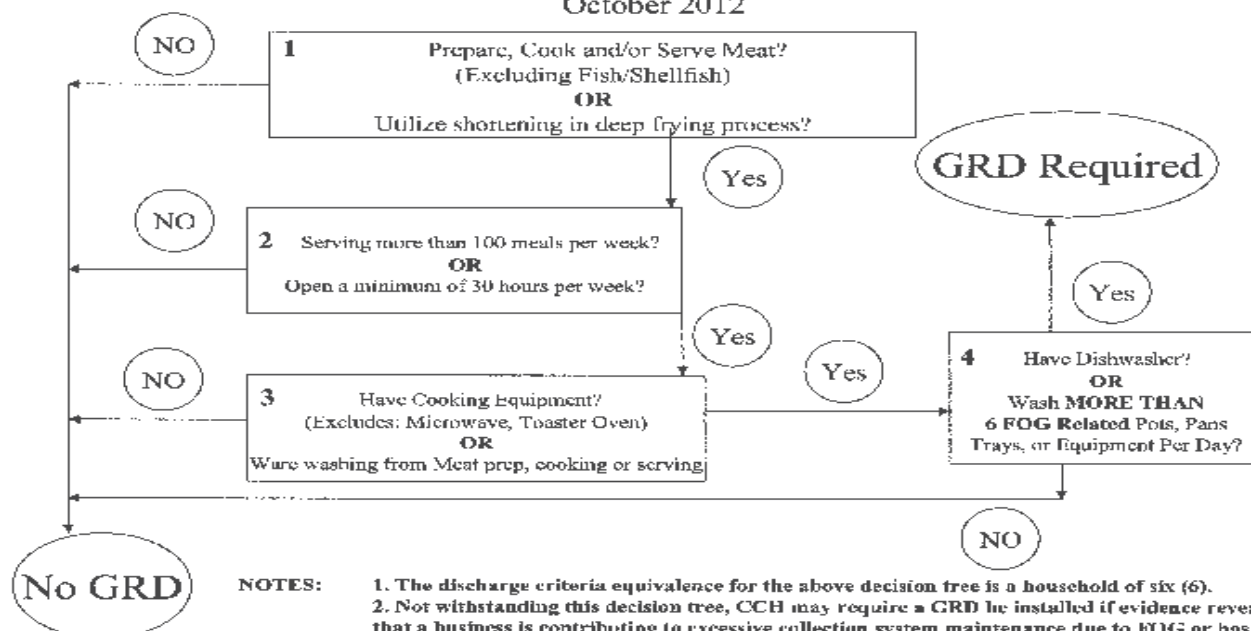

**JAMES BAGINSKI, P.E.**  
Regulatory Control Branch Head  
Department of Environmental Services  
City & County of Honolulu

# Who needs a GRD?

## Grease Removal Device (GRD) Decision Tree

October 2012

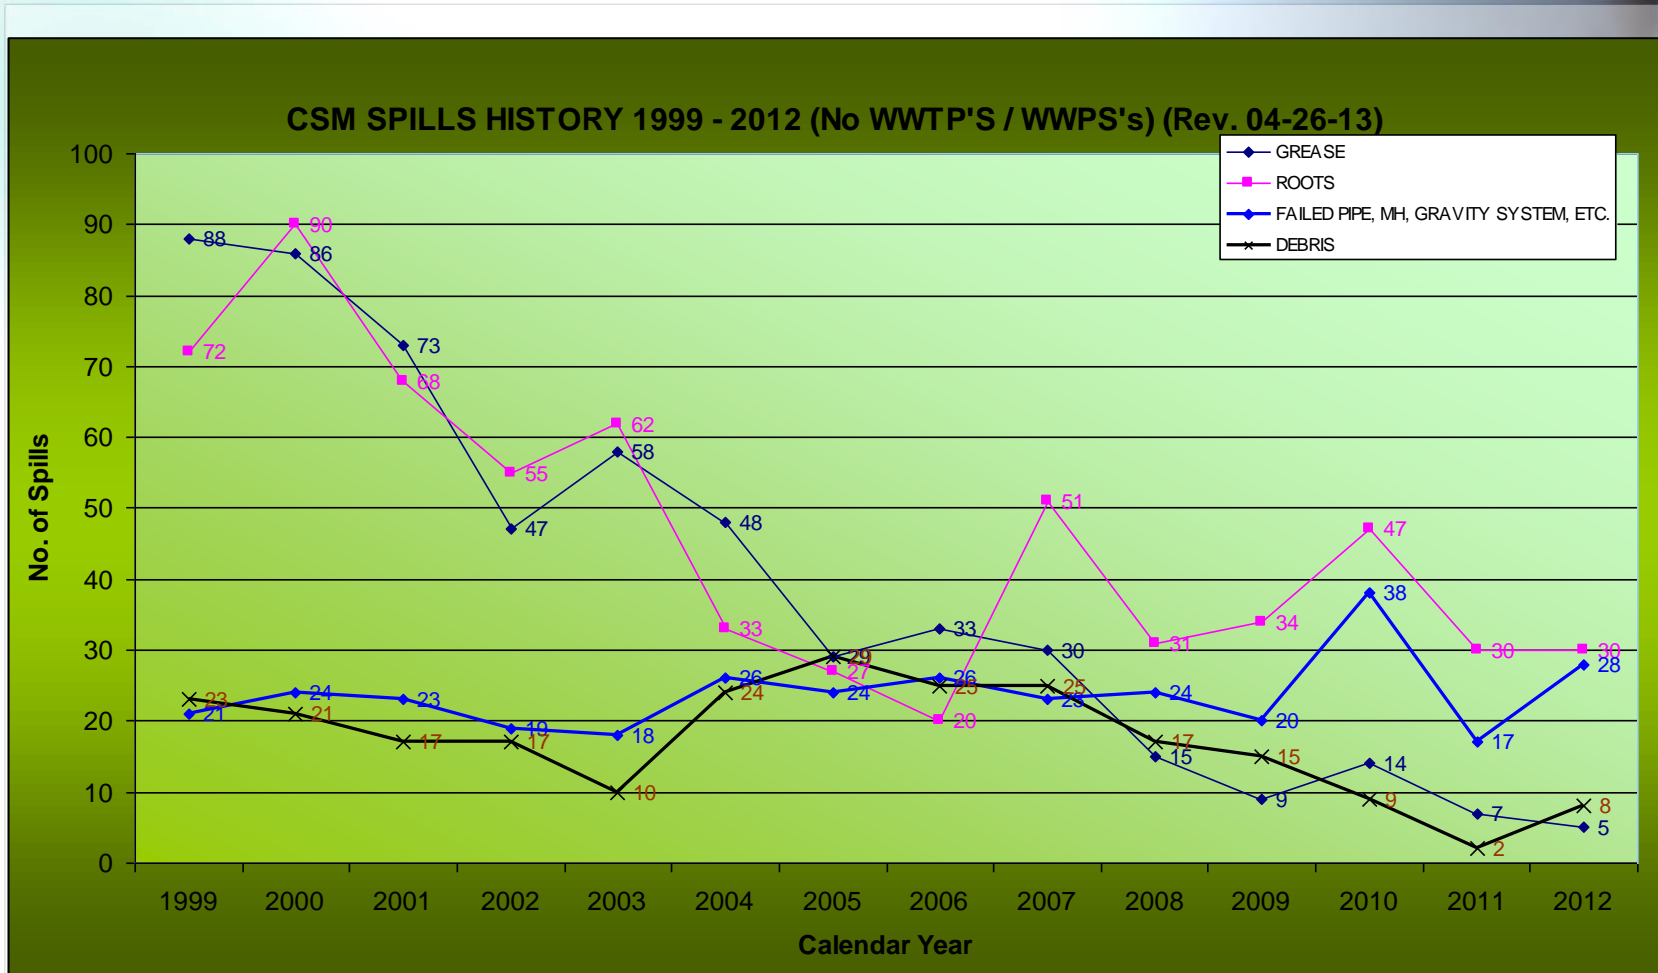

# **Environmental Incident Report (EIR) Program**

- **Collection System Maintenance**
  - Monitors and submits EIR for FOG caused spills OR when cleaning frequency, caused by FOG, is annually or more.
- **Pretreatment Program**
  - Investigates, identifies contributors, and requires GRD installation or upgrade to current GRD sizing criteria.

# Grease Spill Reduction Analysis - Total

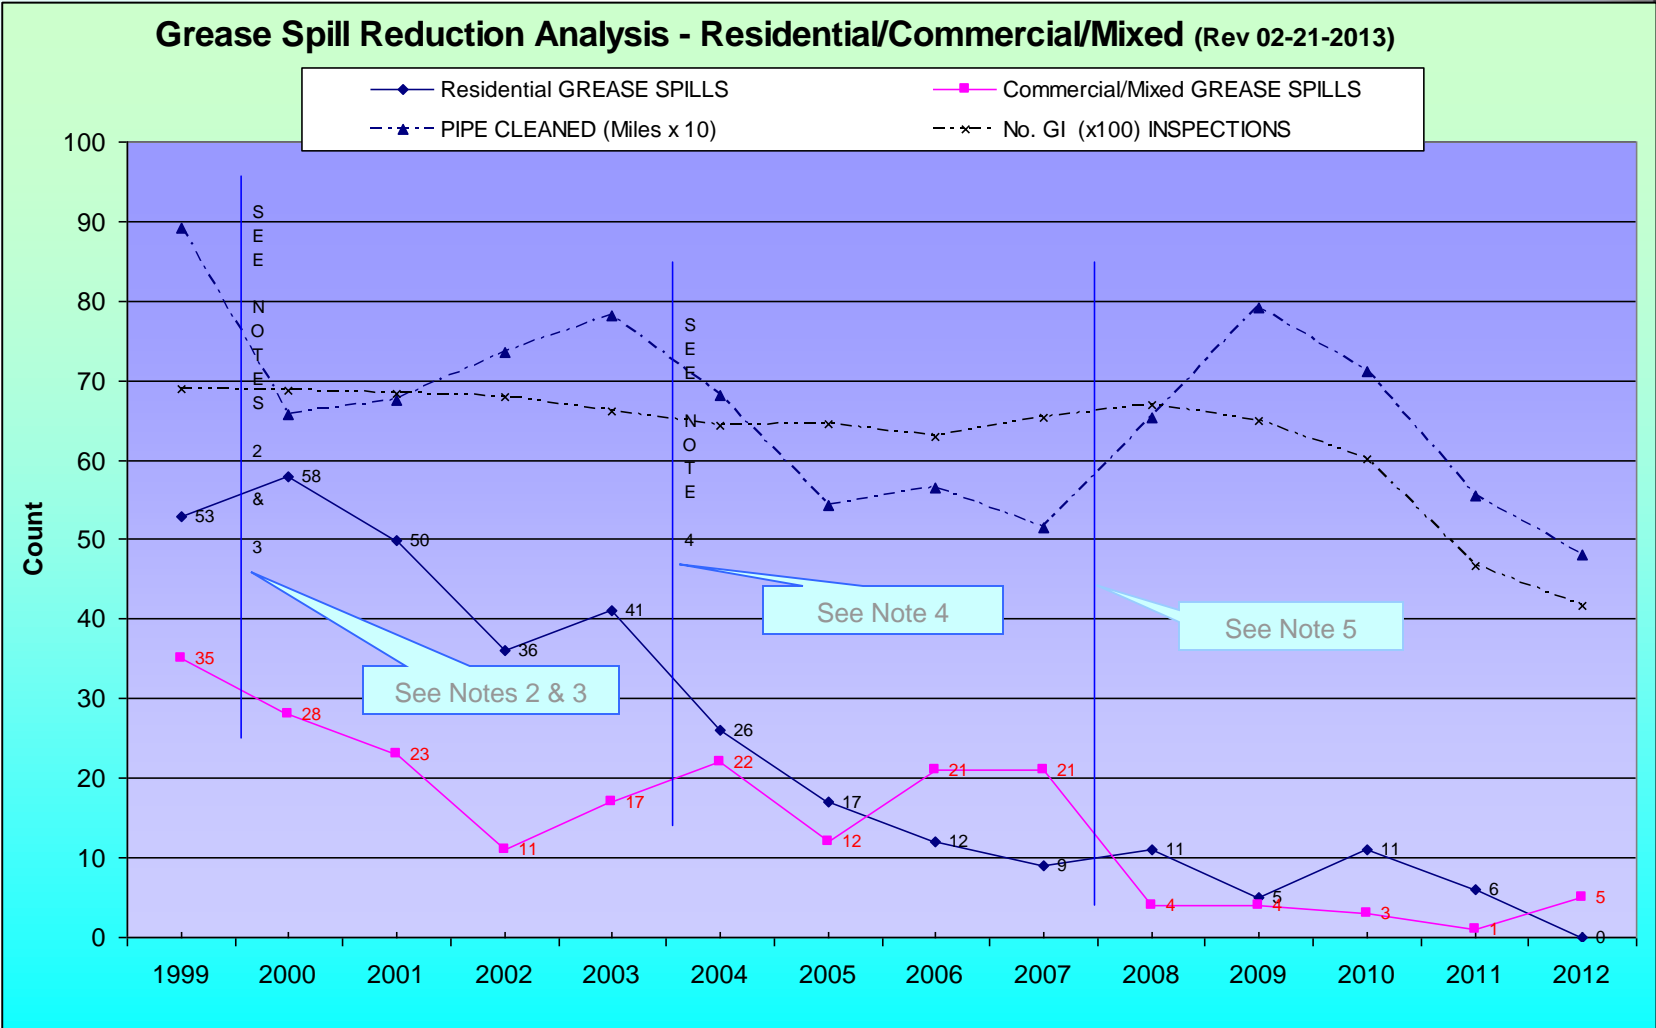

## NOTES:

1. Semi-annual GI inspections began by 1994
2. GI retrofit program began in 1999
3. Collections System Maintenance Division incorporates work order program (Synergen) in 1999.
4. Collections System Maintenance Division fully implements grease problem area notification (EIR's) in 2003.
5. EIR based GI retrofit enforcement began in 2007 (i.e. FOG problem areas)
6. Grease cause in 2012 had 6-inch main issue
