

Andrew Lukas

Wet Weather Solutions Leader

Vice President

Brown and Caldwell

Milwaukee, WI

Andy Lukas is Brown and Caldwell's Wet Weather Solutions Leader and a Vice President with the firm. Most of his 24-year career at Brown and Caldwell has been focused on the Wet Weather practice area. He has provided leadership on several significant Capacity, Management, Operation and Maintenance and asset management projects. He regularly provides technical guidance to clients that are under state and federal regulatory orders. He is also consulting with numerous municipalities on Private Property Infiltration and Inflow Reduction Programs.

Mr. Lukas has earned a BS in Civil Engineering from the University of Wisconsin-Platteville and a MS in Civil Engineering from the University of Washington.
