

David Guhin

Director of Water Utilities

City of Santa Rosa, CA

Santa Rosa, CA

David Guhin, a Professional Engineer in the State of California, was appointed the Director of Water Utilities and City Engineer for the City of Santa Rosa in December of 2012. He led both the Engineering/Asset Management Division and the Operations Divisions of the Water Utilities Department prior to becoming the Director. In addition, he has spent time working in the private sector designing private and public water and wastewater systems before joining local government.

As Director of Water Utilities, Mr. Guhin oversees a staff of 250 employees and is responsible for water supply, distribution, and wastewater collection for the City of Santa Rosa, and wastewater treatment and reuse for the Cities of Santa Rosa, Sebastopol, Rohnert Park, Cotati and the South Park Sanitation District, which combined serves over 230,000 people.
