

Jamie Heisig-Mitchell
Chief, Technical Services
Hampton Roads Sanitation District
Virginia Beach, VA

As of January 2012, **Jamie Heisig-Mitchell** has served as Chief of the Technical Services Division at Hampton Roads Sanitation District (HRSD), a wastewater sanitation district in southeast Virginia, where she has been employed for approximately 14 years. In her current role, she provides guidance and leadership to the division responsible for environmental monitoring, specialized research studies, and for administering HRSD's regulatory permits.

Ms. Mitchell also provides HRSD management with technical and policy recommendations on issues associated with existing, proposed or emerging regulatory activities that may affect HRSD. In her previous role as an Environmental Scientist, she oversaw HRSD's whole effluent toxicity testing program and implemented several special studies on emerging contaminants in wastewater and biosolids.

Ms. Mitchell holds a MS in Biology from Old Dominion University.
