

**Kelly Collins**

Senior Water Resource Specialist

CDM Smith

Albuquerque, NM

**Kelly Collins** is a Senior Water Resources Planner and permitting specialist with 35 years of experience in the environmental field. She has a breadth of experience that spans the spectrum from state water planning to regulatory compliance and permitting for municipal and industrial clients, to resource evaluations under National Environmental Policy Act (NEPA) to environmental remediation projects involving soil and groundwater contamination. She has extensive experience in regulatory permitting and compliance for surface water, groundwater, air, and solid waste.

Ms. Collins has a BS in Geology and a MS in Water Resources.
