

Karen Pallansch

NACWA President

Chief Executive Officer

Alexandria Renew Enterprises

Alexandria, VA

Karen Pallansch is the Chief Executive Officer for Alexandria Renew Enterprises (AlexRenew) and currently serves as the President of the National Association of Clean Water Agencies (NACWA). Prior to her work with AlexRenew, Ms. Pallansch also worked for the Virginia Department of Environmental Quality (DEQ) and as a civilian with the Department of the Army. Ms. Pallansch has a Bachelor's Degree in Chemical Engineering from the University of Pittsburgh and a Master's Degree in Business Management from Texas A&M University, Texarkana. She is a registered Engineer in the Commonwealth of Virginia, has a Class 1 wastewater license and is a Diplomate with the American Academy of Environmental Engineers. She volunteers with numerous organizations and in her free time, she loves hiking and hanging out with her two teenage sons.
