

Scott Haskins
Senior Vice President
CH2M HILL
Bellevue, WA

Scott Haskins is senior vice president and managing director of Strategic Consulting for CH2M HILL. Mr. Haskins provides public and private sector consulting services in the areas of asset management and reliability, management consulting, financial services, operations and maintenance consulting and technology and innovation.

Mr. Haskins has more than 30 years of utility management experience. Prior to joining CH2M HILL, he served as deputy director for Seattle Water Department and Seattle Public Utilities where he had executive leadership responsibilities over the full range of wastewater, drinking water, surface water and solid waste functions for the City of Seattle.

Mr. Haskins actively participates in the water and wastewater utility industry, serving in many leadership roles and committees for Water Environment Federation (WEF), American Water Works Association (AWWA), International Water Association (IWA) and the Water Research Foundation (WaterRF), and is chair of AWWA's Utility Benchmarking Committee. He has participated in numerous research projects for national and international organizations, has authored many articles, given many presentations and is co-author of several books.

Mr. Haskins holds a Master of Public Administration degree and a Bachelor of Arts degree in political science from the University of Washington.
