

Susan M. Myers

General Counsel

Metropolitan St. Louis Sewer District

St. Louis, MO

Since 2001, **Susan Myers** has represented the Metropolitan St. Louis Sewer District (MSD) as in-house counsel, Interim General Counsel and then became the General Counsel in April 2011. Her experience at MSD includes being a key member of the negotiating and implementation team for the District's multi-decade federal consent decree while also representing the District in general litigation and corporate governance. She has been a unique combination of environmental engineering and legal experience. Prior to joining MSD, she served as an environmental engineer for two years with U.S. Environmental Protection Agency (EPA), Region VII in RCRA Permitting and for nine years on a billion dollar Department of Energy Superfund Clean-up project.

Ms. Myers earned her JD from St. Louis University, School of Law; and a BS in Geological Engineering from the University Missouri-Rolla (Missouri University of Science & Technology).
