

Tim Braun
Enterprise Architect
EmNet, LLC
South Bend, IN

Tim Braun is EmNet's Enterprise Architect. After a career in sustainable investment management, Mr. Braun became a cleantech entrepreneur and venture capitalist, focusing on water and renewable energy technologies. He joined EmNet in 2013 to expand the company's reach and impact by building partnerships with municipal utilities and their consultants. He leads the company's strategic vision for growth and client relationship development.

Mr. Braun received his BA in Economics from Bluffton University and his MBA in Sustainable Business from Presidio Graduate School in San Francisco in 2009.
